MOUNT GRAVATT EAST QLD 4122

4 August 2025

Dear Yuanyuan Liu

### **Your Child Care Subsidy has changed**

We have reassessed your Child Care Subsidy.

#### **Child care assessment from 18 August 2025**

<b>Child Name</b>	<b>Subsidy type</b>	<b>Subsidy Percentage</b>	<b>Subsidy hours per fortnight</b>	<b>Withholdings</b>
Zian Zhong	Child Care Subsidy	90%	72	5%
Wanru Zhong	Child Care Subsidy	90%	72	5%

Your family income estimate of \$58,025 has been used to work out this percentage.

We withhold some of your Child Care Subsidy before it is paid to your Child Care provider to reduce the chance of you owing money at the end of the financial year.

After the end of each financial year, your Child Care Subsidy rate is balanced using your family's actual income. If you underestimate your income, you may have been paid too much and you will be asked to repay the excess amounts.

To work out how much Child Care Subsidy you can get we look at all of the following:

- your family's income
- activity levels
- the type of approved care
- your child's age
- the number of your children attending child care.

We will tell your child care provider your subsidy percentage and pay them, less any amounts we withhold.

For more information go to **[servicesaustralia.gov.au/childcaresubsidy](https://servicesaustralia.gov.au/childcaresubsidy)**

This is a notice of decision under family assistance law.

**Important Information**

If your child is attending more than one child care service, you can choose the amount of hours we pay to each service.
